## Year 1 Seesaw

Dear Parents and Carers,

We are delighted to share with you that in **Year 1** we will be using **Seesaw**, a secure online journal where children can document and reflect on what they are learning in class. Your child will be able to add the things we work on [including photos, videos, worksheets, drawings and voice recordings] to their Seesaw journal and we can share them privately with you to view and “like” on throughout the school year.

To share these experiences, please **follow the instructions on the sign-up sheet brought home by your child today. There is also further information on the other side of this letter.**

We hope your child will enjoy using Seesaw to enrich their learning experiences in class, and you will enjoy continuing conversations from school at home too.

Thank you for your continued support.

Best wishes,

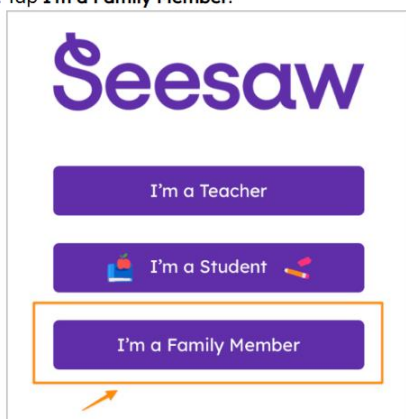

Rachael Hyem  
[Deputy Headteacher]
